Section 1 – Participant Information. Please provide all the information requested in this section. You must use your legal name as it appears on your Social Security card or as it appears on your U.S. Individual Income Tax Return.

Section 2 – Eligible Dependents. You must include all the information requested in this section including legal names, even if they are the same as yours. The following family members qualify as eligible dependents:

- Your lawful spouse, unless legally separated. You must include a copy of your marriage certificate.
- Your domestic partner as defined by the Carpenters Health and Security Plan of Western Washington and your domestic partner's children. The following domestic partners are eligible: (1) In Washington State, a domestic partnership that is registered with the State of Washington. This includes a domestic partnership in which one or both of the partners are age 62 or older. (2) In Idaho, Montana and Wyoming, a same-sex domestic partnership. In all situations, a domestic partner is subject to satisfaction of certain enrollment and tax prepayment requirements, including an Affidavit of Domestic Partnership and, if applicable, a Domestic Partner Coverage Affidavit of Dependent Status. Please contact Participant Services at Carpenters Trusts for the appropriate documents.

Your children through age 25 including: (1) natural children and legally adopted children; (2) children placed with you (the participant) for adoption before the adoption is finalized; and (3) stepchildren. You must include a copy of each child's birth certificate. For children placed with you for adoption before the adoption is finalized, you must include a certified copy of the placement report and petition for adoption that were filed with the court, or other documents confirming that the child was legally placed for adoption.

Your legally placed children through age 25 if the child was placed with you (the participant) before age 18 by an authorized placement agency, or by judgment, decree, or other court order specifying you have legal custody. The child must: (1) have the same principal place of residence as you; and (2) not provide more than one half of his or her support. The residency requirement is waived for children who are away from home attending school. Proof of full-time student status is required to determine if your child is eligible for enrollment. You must include a copy of the most recent placement order.

If additional documentation is required to complete the enrollment process for you or your dependent(s), you will be contacted in writing with an explanation of what is needed. Medical, prescriptions, dental, and vision claims cannot be processed until the enrollment process is complete.

Section 3 – Life Insurance Beneficiary. List the name of the person who should receive your life insurance benefit. Subject to the applicable community property laws, your life insurance beneficiary can be anyone except an employer and yourself. If your beneficiary does not survive you, or if you do not name a beneficiary, proceeds are paid to the first survivor in the following order: (1) spouse; (2) children, in equal shares; (3) parents, in equal shares; (4) brothers and sisters, in equal shares; (5) executors or administrators.
