Request to receive an Honorary Resignation Card will be granted based on meeting the qualifications of Section 47B of the Constitution, which states, in part, that:

“A member in good standing who resigns with current dues paid may be given an Honorary Resignation Card indicating honorary withdrawal from the United Brotherhood if the member truthfully affirms in writing that he or she is leaving the industry unless it is known that the resignation has been submitted for the purpose of violating Trade Rules. Such card shall be furnished by the General Secretary-Treasurer on application by the Local Union. Within 24 months of honorary withdrawal, an ex-member who in fact left the industry may be readmitted to membership without payment of any initiation fee. If such member pays all back dues for the period of withdrawal, he or she will maintain the previous initiation date.... If the member chooses not to pay all back dues but commences paying dues as of the current month, he or she will be given a new initiation date as of the date of readmission and shall be treated as a new member.”
